ABOUT ME

I have been in education for almost 25 years. I have taught in the classroom, I have worked with teachers in coaching and in providing professional development, and my degree is in English Language Arts. I have three young adult children, and two dogs named Bean and Lulu. I also have a cat named Olive. I cannot wait to be a part of this growing learning community!

FUN FACTS

Every year, I end my summer with participating in an open water race. This year, I got second place over the other people in my age group. The distance is a mile swim, and I feel lucky to complete it year to year.
